As the proposition statement put up by the Inspector General is not in the proper form, the following table is given to show correctly the cost of the existing and proposed scales -

Present	Cost	Proposed.	Cost
Supervisors 2(60-4-80) (50)	146⅔ 50	Supervisors 1(60-4-80)	73⅓
Allowances 15(15)	225	Allowances 15(15)	225

Contingencies 7(3) 2(8)	37	Contingencies 10(3) (10)	40
	544⅔		424⅓

Difference 120⅓

The proposition therefore results in a saving of Rs 120 per mensem in the permanent recurring expenditure of the State But the Inspector General proposes to utilise Rs 50 per mensem from the savings effected by entertaining a substitute in place of a teacher under training

His proposal also involves an extra expenditure of Rs 700 per annum under workshop fittings This will be a distinct addition to recurring expend ture though the items are of a contingent nature There will thus be a net saving of only Rs 144/- per annum in the recurring cost I have of course not taken into account the expenditure of Rs 68 per mensem which is at present being incurred in the general line against a vacancy on Rs 68 in the exist

5. It will thus be seen that the scheme has been in existence for nearly 6 years and the Inspector General states that it may be regarded to a certain extent as a success The recent scheme sanctioned for Secondary School-Leaving Certificates makes Sloyd a compulsory subject for the High School course The Inspector General therefore states that a revision of the Sloyd establishment is necessary and proposes to revise it as shown below -

6) The Inspector General also proposes ~~to~~ the training one Govt teacher at a time for training in Sloyd For the appointment of a substitute for the teacher under training an extra sum of Rs 50 per mensem or Rs 600 per annum is required Therefore the revision proposed results in a net saving of Rs 744 minus 600 or Rs 144 per annum

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 8757 / 477 Edn 2

Bangalore 7th February 1913

From M Shama Rao Esq M A
Offg *Inspector General of Education in Mysore*

To
K R Srinivasiengar Esq
Offg Secretary to the Government of His Highness
the Maharaja of Mysore General & Revenue Departments

Sir

I have the honour to inform you that the scheme for Manual Training in the Mysore State began with Government Order No 11586-90/ Edn 390-06-2 dated 1st June 1907 Two specialists were brought out under it and a number of Lasters and Mistress were trained A subsequent Government Order No 1236-7/Edn 305-07-14 dated 8th August 1908 put Sloyd upon the footing in which it is at present The schem which was begun as an experiment may now be regarded to a certain extent a success It is recognized on all hands that some form of Manual Training is very necessary to give life to the system of education as it has hitherto obtained

2 In accordance with Government Order No 4580-1/Edn 101-10-2 dated 28th November 1910 sanctioning certain arrangements in consequence of the absence on two years' leave without allowances of one Sloyd Supervisor and two Assistants an Assistant Master of the Bangalore High School in class C IV who was also a Sloyd Master getting an allowance of Rs 15/- has been doing the duties of a Sloyd Supervisor on his grade pay with the Sloyd allowance and an Assistant Master of the Anglo-Vernacular School Bangalore has also been employed as full time Sloyd teacher for the Bangalore Centre on his

own

own pay of Rs 30/- with the Sloyd allowance of Rs 15/- The pay of the permanent Supervisor as it stood in November 1910, viz Rs 68, has been utilized in employing two teachers one on Rs 43/- for a Hig School and the other on Rs 25/- for an Anglo-Vernacular School, respectively The allowances of the two Sloyd Assistants on leave viz Rs.30/- has been utilized for stipend to a teacher under training in Sloyd There are at present 13 Sloyd Masters working half time with allowances of Rs 15/- each. The budget, however, provides for three Supervisors and 15 Assistants at a total cost of Rs 5076/- per annum

3. The School Final Scheme introduced by Government Order No 1375-6/Edn 432-11-7 dated 12th August 1912 makes Sloyd a compulsory subject for the pupils of the High Schools and it is also desirable to extend the Sloyd system to other schools as far as possible In these circumstances a revision of the Sloyd establishment has become necessary. I accordingly propose that instead of three Supervisors there need be only one Supervisor, on a pay of Rs.60-4-80. He will be stationed at Bangalore and under the direct orders of the Inspector General, will be employed in training teachers inspecting the Sloyd classes in the several High Schools and will also be in charge of the Sloyd Central Stores Provision may also be made, as at present, in the budget for 15 Assistants There is also provision needed for training some of the Assistant Masters of High Schools to fill up vacancies casual or permanent and with this objec Rs 50/- will be utilized, as sanctioned in Government Order No 5724-5/Edn 5-12-5 dated 3rd February 1913, for employing substitutes for those undergoing training at Bangalore A slight increase is also proposed under contingencies owing to an addition of one more Sloyd Centre at Chikballapur, where no Sloyd instruction is given at present

4 According to the proposed revision the establishment cost will be Rs 5772/- per annum against Rs 6552/- provided in the budget at present, thus shewing a saving of Rs.780/- per annum Against this saving, however, an increase of Rs 700 per annum to the recurring

expenditure

expenditure under workshop fittings consequent on the increase in the number of work benches to needed The net saving will thus amount only to Rs 80 The total recurring expenditure will therefore be Rs 10632 against Rs 10712 per annum as per statement appended A non-recurring expenditure of Rs 2000/- for initial equipment to the Chikballapur High School and for addition to the other High Schools is also needed

5 I request that Government may be pleased to sanction the proposed revision of Sloyd establishment with effect from 1st July 1913 as detailed in the statement referred to above The favour of early orders of Government is requested as the required number of work benches and tools have to be ordered so as to be ready at the beginning of June 1913 when the High Schools reopen after the Summer Vacation

I have the honour to be

To

Maharaja of Mysore in the Departments of Education &c ,

SIR

With reference to your letter No 3250/Edn 264-12-6 dated the 2nd instant, I have the honour to inform you that since Sloyd was made compulsory in High Schools in accordance with the School Final Scheme, it was thought desirable that the Headmasters of High Schools should have the control of the Sloyd teaching in their respective Schools Having regard this view in mind I suggested the abolition of the post of one of the Sloyd Supervisors, thinking that two were unnecessary for occasionally inspecting the Sloyd work in ten High Schools

But, later on, the question of introducing paper sloyd gradually in all the Anglo-Vernacular Schools and some imporatant Vernacular Boys' and Girls' Schools in the state engaged my attention I find, therefore, that the services of two Supervisors are necessary to

to look after the Paper Sloyd instruction in several schools throughout the state I have, accordingly submitted a modified proposal.

I request that you will be so good as to obtain very early the orders of Government on the modified proposals.
